football

the rivalry continues

For the second-straight season the ICC Indians knocked off a nationally ranked Northeast with their 28-18 win over the No. 16 Tigers and found themselves in the hunt for the final spot in the playoffs.

"This was a big win for our program," second-year head coach Jon Williams said after his team's fourth-straight victory. "The players and coaches were focused on the task at hand and it showed on the field as everyone did their part in getting this win over the rivals."

The Tigers (6-2, 4-2 MACJC North) got on the board in the blink of an eye when Park Frazier found Tres Houston for a 56-yard touchdown pass on their first play of the game, but the Indians (4-4, 4-1 MACJC North) answered when Martrez Townes recovered a fumble in the end zone after a bad snap on punt in the second quarter. Northeast took a 10-7 lead into the break on a 34-yard field goal by Taylor Earhart.

An interception returned 26 yards by Townes set up a Canden Dallas 1-yard touchdown run to give the Indians a 14-10 lead at the 7:45 mark of the third quarter. DeShawn McGaughy followed with a 3-yard scoring run to give the Indians a 21-10 lead heading into the final frame.

After a one-yard touchdown run and two point conversion by NECC made it a 21-18 contest in favor of the Indians, the Tigers looked poised for a late-game comeback when Ryan Thompson put the game on ice with an interception returned 46 yards to the one-yard line to set up the second plunge into the end zone on the night for Dallas to give the Indians a 28-18 win over their nationally-ranked rivals.

Sophomore running back Keon McGaughy earned JUCO Weekly Star of the Week honors rushing for 136 yards on 22 carries.

Finishing STRONG

"I'm proud of our guys," said ICC head football coach Jon Williams. "There was a point in the season where they very easily could have given up, but instead they showed everyone what it means to be a student-athlete at ICC with the heart, desire, and determination to turn the season around to have a shot at making the playoffs."

The Indians finished in a three-way tie for second place in the MACJC North and out of postseason play due to tiebreaker rules for the second-straight season. The season finale wrapped up the two-year career for 19 sophomores on the Indians' roster.

ICC Indians

Men's basketball raises the scores!

ICC finish 9-15 including wins over No. 20 Shelton State 80-73 in Fulton and No. 13 Northeast 72-69 on a game-clinching shot by freshman Deontaye Ewing (Tupelo) in Booneville. The Indians earned a spot in the MACJC Tournament as the No. 4 seed with a 5-7 record in the North Division.

The season came to an end after their upset bid in the opening round of the state tournament came up short against No. 17 Mississippi Gulf Coast Community College, the fourth nationally-ranked program ICC faced during the season.

In February, Coach Marty Cooper and assistant coach Jennifer Cooper announced their intentions to step down as the nation's only husband and wife coaching tandem. The story grabbed headlines across the national when US Today, The New York Daily News and numerous other publications featured the story as far away as Alaska.

"This was something we've been thinking about for a couple years and more seriously before the start of this season," Cooper said. "Family time with our daughter McKenzie is very important to both Jen and I and that's something we as a family are really looking forward to being a bigger part of our lives."

Cooper won four MACJC North Division titles (2002, 07, 08), one MACJC championship (08) and three NJCAA Region 23 championship (02, 07, 08) to earn three NJCAA National Tournament appearances.

He steps down with an overall record of 254-134 in 14 seasons as the Indians head basketball coach.

The men started the season ranked No. 11 in the nation according to The Intercollegiate Tennis Association (ITA), the governing body of collegiate tennis, and won their second-straight MACJC State Championship in April.

Send me no flowers

The Itawamba Community College Division of Fine Arts presented "Send Me No Flowers" by Norman Barasch and Carol Moore, a dinner theatre in three acts, on November 15-18, with a full house each night.

"Send Me No Flowers" is a comedy about a man besieged with life-long hypochondria. George Kimball mistakes a dying man's diagnosis for his own and believes he only has about two more weeks to live. Wanting to take care of his wife Judy, George tries to find her a new husband ,but doesn't tell her he is dying. When he finally does tell her, she quickly finds out he's not dying at all even though he still thinks he is, and she believes it's just a lame excuse to hide an affair, so she decides to leave him.

Cast members include Andrew Barnes (George Kimball), Claire Wilson (Judy Kimball), John Tutor (Vito), Tommy Ware (Bert Power), Ryan Howell (Doctor Morrisey) Josh Rayburn (Arnold Nash), Jessica Scott (First passerby), Emily Russell (Second Passerby), Shelby Randolph (Mr. Akins), Alexandra Torres (a girl) and Kayla Hinds (Miss Mason). Crew members were Allison Osbirn, Emily Russell and Leigh Anne McMullan. Cy Williams was the director of the production and Alison Miller was the student director.

Far left: Claire Wilson (Judy Kimball) and Andrew Barnes (George Kimball); Clockwise from top, Shelby Randolph (Mr. Atkins); Joshua Rayburn (Arnold Nash), John Tutor (Vito) and Claire Wilson; Kayla Hinds (Miss Mason); Ryan Howell (Doctor Morrisey); Tommy Ware (Bert Power).

Moving forward

ICC is committed to continue to improve the quality of the educational experience as well as its programs and services.

With an increased adult learner population, Itawamba Community College has expanded its educational delivery methods as well as support services including an extensive tutoring schedule.

The implementation of the AR-ROW program in September is providing an opportunity for students to enroll in eight- or 12-week classes to allow scheduling flexibility and to allow them to stay "on track" for graduation.

The College's "Graduation… It Matters!" initiative continues to encourage students to earn an associate's degree because now, more than ever, an employee's competitive edge in the global workforce is directly tied to his/her educational attainment. ICC had 1,300 students who earned degrees and certificates last year. This gave ICC the largest increase of all 15 community colleges.

ICC has also embarked on an ambitious three-year HEALTH (Help Ensure a Link to Health) campaign for the construction of a Health Science Education Center, which will cluster all eight programs at the Tupelo campus to maximize the use of facilities and resources.

We continue to provide educational access for thousands of residents of the region and beyond. Through training opportunities for Toyota Motor Manufacturing Mississippi and its suppliers and long-standing partnerships with other industries, the College positions individuals to compete globally.

Our students are very important to us. Their success is a measure of our success. We are committed to ensuring that their educational experience will provide not only the best start, but also a lifetime of opportunities.

A special thank you goes to Kim Wiygul-Williams for being Mirror sponsor and for her yearbook expertise. We would also like to thank Connie Yielding for helping with ideas and proof reading. Another special thank you goes to Maggie Caldwell, John Bowen, Lee Adams and Jared Burleson for their photography and also every student that submitted photos. We would also like to thank Will Kollmeyer and Adam Gore for the sports information they provided.

This year, the Mirror's theme is "Red, White, and You". This theme was chosen, because it reflects what a yearbook truly is about...the students. It also shows the plentiful school spirit at ICC.
